Dialogue

A: What would it be like to live in this city?
B: It **would be** terrible. I **would be** cold every day and I **would have** health problems because of the pollution. I think I **would get** depressed.
A: Would you like to live there?
B: Of course not. It's **too** cold, **too** grey and **too** polluted, and there's **not enough** trees or green places.
