1: Add 5 events to your schedule

2: Arrange meetings with your classmates. Your dialogue should look something like this.:

A: What are you doing on Thursday morning?

B: I'm going bungee jumping with Anna. Do you want to join us

A: No. That sounds scary / Yes. That sounds great.

A: How about Tuesday afternoon?

B: I'm not doing anything / I'm free.

A: Great - shall we do something together?

B: Let's go for a walk in the forest.

A: Sounds good.

3: Before you move on to another classmate, confirm your events.

A: So, we're having coffee on Monday morning.

B: That's right. And we're test-driving a Maserati on Wednesday afternoon.

A: Yes. And we're dressing up as Vikings on Friday morning.

B: Absolutely. See you next week!
